

Saccolongo, 26/04/2022

DECLARATION OF CONFORMITY

Hereby we certify that the hoses

"TUSIL® ACQUA"

are manufactured in Italy according to the procedures of Quality Assurance System certified ISO 9001:2015.

Moreover, we certify that the SILICONE liner of the hose above mentioned is compliant to:

- 1907/2006/CE (REACH);
- FDA 21 CFR 177.2600 for aqueous products;
- BfR for aqueous products;
- REGULATION 1935/2004/CE,
- UBA KTW;
- DVGW W 270.

Please refer to our data sheets for hose area of application and technical information.

The hoses, before any use, must be cleaned in accordance with our "Cleaning and Disinfection" guidelines available at the link: <http://tudertechnica.com/cleaning-and-disinfection/>

Best regards
